DEATH OF LIVING UNIT

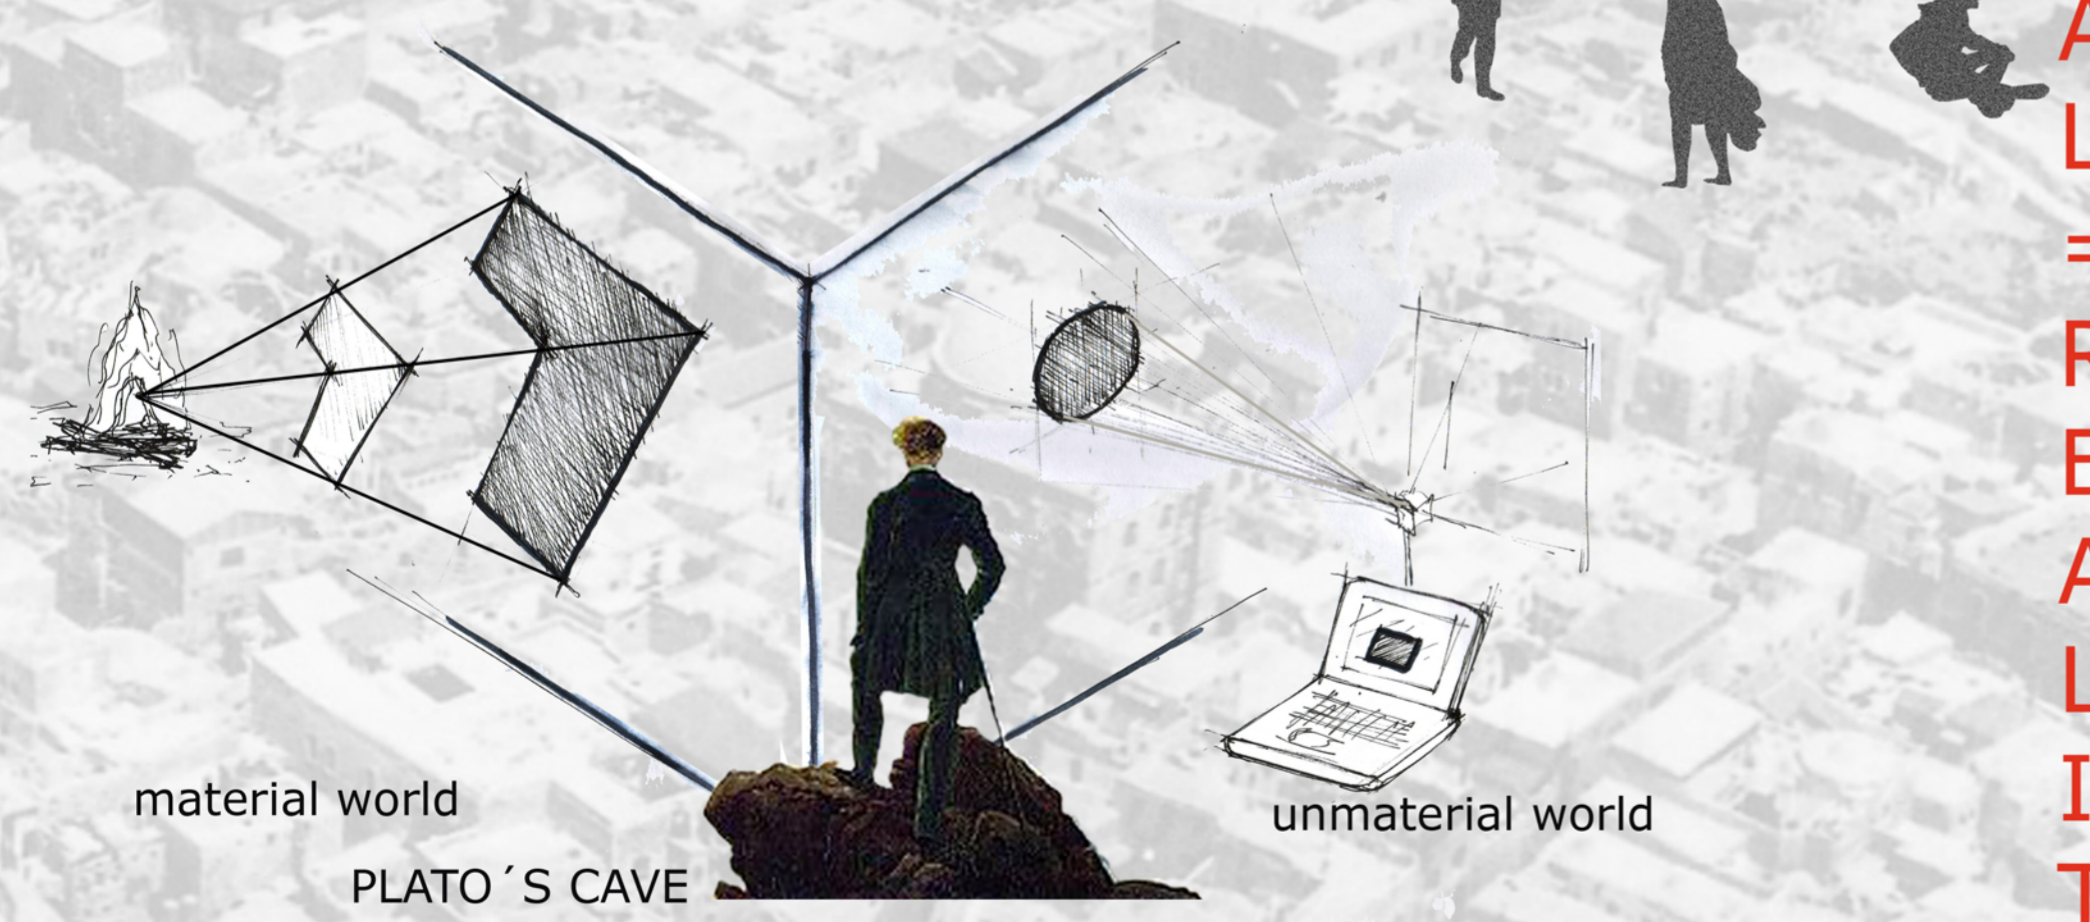

COMMUNITY

The old living unit has died, we have to accept it and as soon as we do it, as soon as we will be ready for the new one. This new one combines the destruction of the walls, roofs and the floor with the fact it has been created with the material and unmaterial.

PLATO'S CAVE

unmaterial world

MATERIAL + UNMATERIAL = REALITY

BUILD YOUR OWN WAY CHOOSE YOUR LIVING UNIT

- 1/ Cut the pieces around the outside black lines
 - 2/ Cut out the red and blue eyepleces
- Fold the flaps on the earpleces and tape or glue to the glasses.
